# SLEIGH RIDES

*For a truly unforgettable Montana experience*, join us on a horse drawn sleigh ride. Take in the KM Ranch Valley's beauty as our majestic Belgian horses gently guide our beautiful sleigh through the Gaynor Ranch.

Start and end your sleigh ride with a hot beverage around the heaters on the ranch deck. Each half-hour tour winds through the forest and across open fields, all the while providing amazing scenery. Don't worry, you'll be plenty cozy under layers of warm blankets.

**GAYNOR RANCH SLEIGH RIDE WITH DINNER:** Enjoy an evening sleigh ride with family or friends in a rustic Montana landscape. You will be impressed with our knowledgeable drivers, entertained by their tall tales and mesmerized by the scenery they guide you through. Hanging out with real cowboys is often the high point of a trip to Whitefish and the real west. After the excitement of the sleighride, join us in the ranch house for Don's world famous steak dinner.
